TO ALL SPS PARENTS—THANK YOU, THANK YOU, THANK YOU- Mission Day was a phenomenal success! We are still working through the many donations and gifts to Amigos De Jesus and feel confident that our school's support to charities and those in need will be well-received. The rain storms held off and all activities took place without issue to everyone's delight! We even saw the sun by the day's end. We wish to extend our sincere thank you for all that you contributed - your time, your participation, your donations, your support, your raffles, your dollar bills for the Dance Off and Dress Down Day, and many more! It is also timely to say thank you for all of the PAC events organized for our children this year that were led by parents committed to St Patrick School and we are most grateful! The school recently purchased a new laminator and portable sound system to use at our school functions and we couldn't have added these without the PAC events! We look forward to our continued partnership!
